REPORT OF INTERNATIONAL WOMENS DAY CAMP HELD ON 8TH MARCH 2022

9th march 2022

SUBJECT: 8TH MARCH INTERNATIONAL WOMENS DAY CAMP HELD IN OUR COLLEGE HOSPITAL

The camp was held in L.S.F.P.E.F.'S LOKMANYA HOMOEOPATHY MEDICAL COLLEGE on 8th march 2022 from 10am to 2pm

Highlights of the camp:

1. Session on awareness about breast cancer
2. Menstrual disorders in young females
3. LAB TEST 50% off on TFT & Hb

There were different chart was made by the interns and 3rd year students, very informative session presented by the medical officers of our hospital.

Session was attended by the 10 to 15 patients as well as hospital and college staff in this session basically they have been taught how to do self breast examination along with what are the warning signs of breast cancer abnormal discharges from the breast and importance of early diagnosis of the breast tumors, One demonstration also done on breast examination.

Most of early changes in menstrual cycles, pain along with menses what the causes of developing PCOS in early ages , what are the importance of the healthy life style along with proper diet has explained to young female.

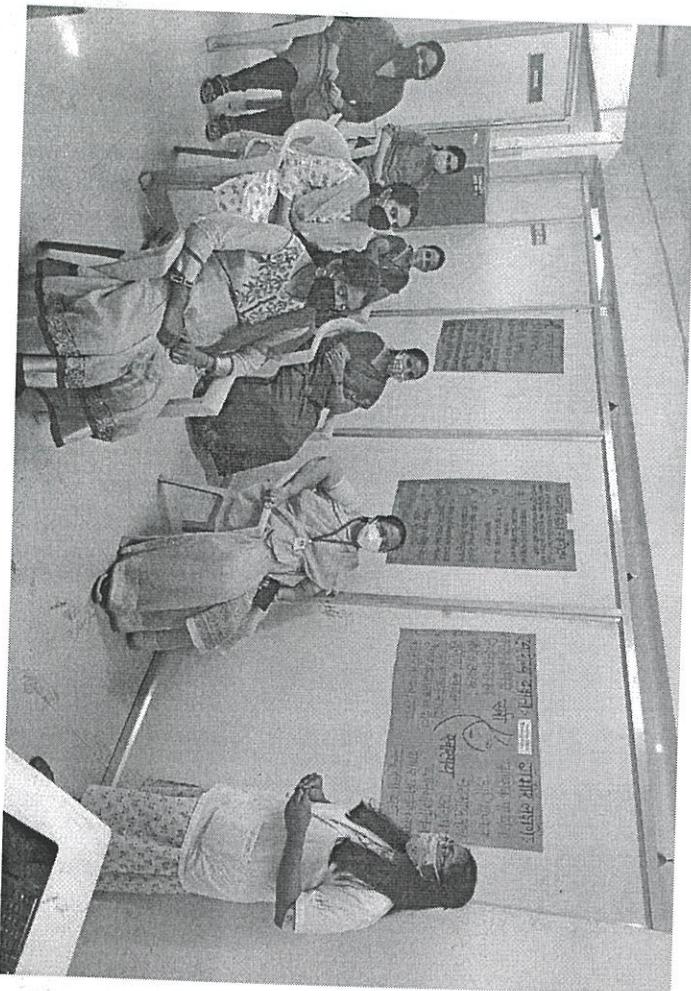

At the last was the question answers session where everyone was asked to rise any question they have regarding is doubts.

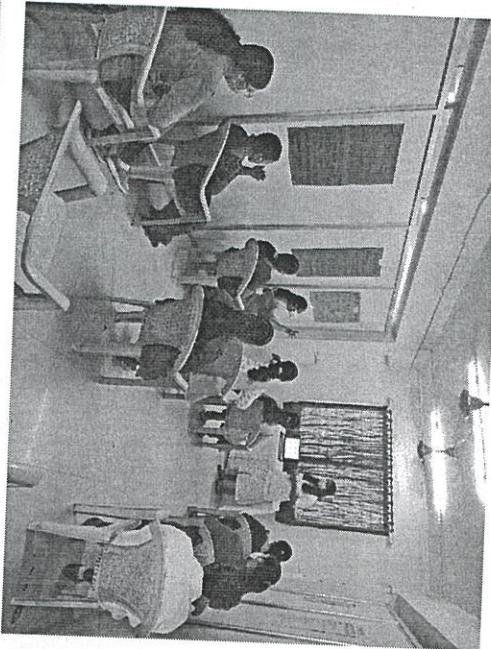

20 to 30 patients got benefited by the lab test concession done

Thankful to principal ma'am , medical officers, interns and hospital staff for making all the arrangements.
